## Re: Chromebook Protection Insurance Plan

Chromebook protection will be available for the Student/Parent to cover Chromebook replacement in the event of theft, loss, or accidental damage. The protection cost is **\$45.00** annually for each Chromebook. This plan will cover one incident during the 2023-2024 School Year. The Student/Parent will have the option to pay for the lost/damaged item or to use the Chromebook Protection Plan Insurance to cover the incident. Additional replacements will cost the Student/Parent the full value of a Chromebook, which is \$342.00 for all grade levels. If the Student/Parent does not opt for the Chromebook Protection Plan Insurance, they will have the option to pay for the repair based on the cost of the broken part(s) (see chart below). Parents can purchase this insurance through [Payschools](#), or can send cash or check to the address below:
